

ALLEMANDERS - Birthday Dance

Caller: **Di Green**

Our Birthday Dance (probably our 50th) was a huge success, thanks to our lovely caller, Di. We danced Basic, Mainstream and Plus, we had a raffle, as well as lovely cakes and tea, all provided by the committee, who had obviously worked hard preparing the room and decorations. Thanks go to them and also to Trevor and Chris for providing tea and coffee.

We were delighted to welcome many past dancers from our club, as well as visitors from the Lancaster and Preston square dance clubs, and many more from the Golden Squares, all with their club banners on show, along with the wide display created from old club photographs.

The number of dancers well exceeded our expectations, making the whole evening so enjoyable for everyone.
